DETAILED ACTION

1. Claims 1-13 are allowed. These claims have been renumbered as claims 1-13.
2. Claims 14 and 15 have been cancelled.

REASONS FOR ALLOWANCE

3. The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not render obvious to one ordinarily skilled in the art at the time of applicant's invention nor anticipate the combination of claimed elements including "said plurality of contact centers being arranged to replicate and synchronize said contact objects and agent objects each of the plurality of contact centers whereby the network comprising said plurality of contact centers does not require a central controller and said plurality of contact centers is further arranged such that, if there a fault or a change of mode of operation at one of said plurality of contact centers, remaining ones of said plurality of contact centers continue to replicate and synchronize said contact objects and agent objects at each of said remaining ones of the plurality of contact centers" as recited in independent claim 1 and similarly recited in independent claims 7 and 8 .

As per claim 13, the prior art of record does not render obvious to one ordinarily skilled in the art at the time of applicant's invention nor anticipate the combination of claimed elements including "if there a fault or a change of mode of operation at another

Art Unit: 2167

contact center of said network of contact centers, continuing to replicate and synchronize said contact objects and agent objects with those at the contact center and each of the other contact centers save for the another contact center”.

The remaining claims, 2-6 and 9-12, are dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
